

Harp Lesson or Home Concert with Brona

Rostrevor or at your accomodation

Take a beginners lesson on the Celtic harp for only £30/hour. Or arrange for Brona to come and play a harp concert in your home. I did both for my family when they visited from Australia and it was really special.

Game of Thrones

I've never actually watched an episode but I gather some of you are die hard fans of the show. There are loads of filming sites in the area. Why not rent an ebike in Newcastle and head off on a guided tour of Tollymore with Bike Mourne? Or pay a visit to the Percy French restaurant in Newcastle where one of the doors is? Filming locations local to the Mournes include Leitrim Lodge, Inch Abbey and Castle Ward. There is also a new studio tour in Banbridge. I've no idea if it's good. I just know it exists.

Poetic Action Rostrevor

Wander around the village of Rostrevor and you'll see lots of poetry snippets on walls. There are 37+ to discover and they have been described as inspiring, respectful and heart-warming. They definitely add another layer of magic to what is already a great wee village.
