Mourne Dew Spirit Experience

Rostrevor

An interesting opportunity to learn more about distilling in the Mourne. You meet in the back of Fearons, a pub that has been in continuous operation since the 1760s. The whole experience takes around an hour and a half. There are loads of samples throughout and an opportunity to purchase your favourites at a discounted price before you leave. You'll need to select whether your samples are based on gin, poitin, whiskey or vodka. Tickets can be booked online or from Good Craic Gifts in Rostrevor. £30 per person. Booking essential.

Soak Seaweed Baths

Newcastle

This might be the most relaxing £25 you ever spend! One hour soaking in a warm seaweed bath plus access to your own steam room. I'm not going to lie, it was a little daunting getting into the bath with all that seaweed but I'm so glad I did!! Known health and beauty benefits plus serious relaxation. You can add a massage or facial if you fancy or try the hydro massage bed. I definitely recommend checking this out! This place is awesome!!!
