

HIKING IN THE MOURNES

Mourne Shuttle Service

Forget trying to find a place to park in the Mournes. The roads are narrow and many are used by tractors. Park at an arranged point where you plan to FINISH your hike. Be collected by a mini bus who will drop you to your STARTING point and leave you to walk back your car. Dogs are welcome. Cost is super reasonable. £3 - £5 per person depending on size of group etc.

Wild Mountain NI

Among all my hiking friends this is the group that comes most highly recommended. Cathy and Petra take brilliant care of their groups. People feel looked after and safe. They are both qualified mountain leaders and are fully insured. Their goal is making memories... one adventure at a time. Dogs are welcome but must be kept on lead.

Walk the Mournes

Fancy tackling Slieve Donard, Slieve Binnian, the Blue Lough or the famous Mourne Wall but rather not go it alone? Walk the Mournes also has experienced guides who can go with you. Learn mountain skills along the way or just enjoy a day out. Peter can also offer history along the way about the men of the Mournes or the stone masons.

Plan your hike with the Komoot App

If you prefer to adventure on your own maybe you'd enjoy using Komoot to help plan your route? It's a free planning app with an extensive library of hikes in the area. It provides detailed maps, elevation profiles and turn-by-turn navigation. You can also tap into the community and share tips and photos. Get inspired for your next adventure! This QR code will take you straight to a selection of the best hikes in this area. Or if you're more old school Good Craic sells a book with the 30 best Mourne hikes.
