

FAMILY FUN

Mini Golf at the Golf Centre

Newcastle

There is a great wee mini golf course in Newcastle which I tried out recently when friends visited from Australia. We had a great time! There were plenty of obstacles and challenges. A fun way to spend time together as a group and let your competitive sides show.

Peace Maze and Playground

Castlewellan Forest Park

The Peace Maze is a big old fashioned hedge maze. It can take roughly 30 to 40 mins to find your way through. Right at the maze exit is a fabulous kids playground. While you're in the park you may enjoy a walk around the lake or book an adventure with Life Adventure. There is a small entrance fee to the park.

Narnia

Rostrevor

Narnia, the magical world created by C.S. Lewis, is said to be inspired by this area. Explore the Narnia Trail where you walk through the wardrobe door, past the beavers hut keeping your eyes peeled for Aslan, the stone table and many other parts of the story. While in Kilbroney Park enjoy the incredible range of trees from all over the world and be sure not to miss the Fairy Glen, a quaint river walk in the middle of town. You can also take your photo with Mr Tumnus at the mural on Bridge St, outside the Rostrevor Inn.

Cranfield Alpacas

Cranfield

Fancy walking an alpaca along the beach with beautiful views of the mountains? Or just doing a meet and greet with these friendly creatures? Then head down to Cranfield. This place is popular so book early to avoid disappointment.

FAMILY FUN

Slieve Gullion Forest Park

Newry

The Giant's Lair is a children's story trail, kind of a living storybook. Honestly it is also a lot of fun for grown ups! There is also a sensory trail, purpose built for children and adults with additional sensory needs. It can of course be used by anyone wishing to slow down and explore the forest using all your senses. It's free to walk around although there is a parking fee. With quirky things all around be sure to bring your imagination! There is also a majestic 10k Forest Drive with incredible views of this Area of Outstanding Natural Beauty with a Passage Tomb at the summit.

Jumping Clay Workshop

Delivered to you 

If it's rainy or you feel like a quieter activity why not get Una from Jumping Clay to come and run a workshop for your family? The clay is air dry, no mess and 100% non-toxic. Cost of workshop starts from £10pp, minimum 6 people. She always brings plenty of craic to her workshops plus everything you need for the activity. Or if you prefer she can deliver DIY Jumping Clay kits?
